

CAST Special Publication 32

Omega-3 Fatty Acids:

Health Benefits and Dietary Recommendations

Released May 8, 2018

Chair: Donald C. Beitz, Department of Animal Science and Department of Biochemistry, Biophysics, and Molecular Biology, Iowa State University

Release/Rollout

Dr. Donald Beitz gave the rollout presentation at the annual meeting of the American Oil Chemists' Society (AOCS) in Minneapolis, Minnesota, on May 8. Approximately 100 attended in person. The event was also [live-streamed on the AOCS Facebook page](#).

In-kind Contributions: 325 volunteer hours; \$24,050 monetary value

Press Release (results two weeks after release)

- Press release went to 7,730 e-contacts (2,169 media) resulting in 5,403 opens/interactions
- 328,127 headline impressions, and 153 total pickups on [press release through PRWeb](#).
- A sampling of sites where the release was picked up: Health-Random Notions, One News Page, Quebec Daily Examiner, and several news channel affiliates

Follow-On Activities

CAST News, May 8, 2018—[Press Release](#)

Video of Dr. Beitz's presentation on the AOCS Facebook page and CAST website. [Click here to view](#). (450 views, 13 likes and 6 shares as of May 8, 2019)

As a result of his Minneapolis presentation, Dr. Beitz was invited to make a presentation of the CAST publication at the "[Omega-3 Summit 2018](#)" in Brussels, Belgium, on October 29, 2018.

Paper Distribution

- Distributed over 325 copies of printed issue paper, and 216 downloads (1 year after release)
- Ag quickCAST: 1,797 downloads (1 year after release)

Indirect Paper Distribution

- Food Industry Environmental Network, LLC
Jimmy Liu sent email with the press release as well as online locations of the publication and its Ag quickCAST to all FIEN subscribers.
